Re: Notice of Account Closure
Account No. 7994

Dear Mr. Valbot:

After careful consideration, we have determined we will no longer be able to maintain the above referenced Account. As such, your Account will be closed by December 15, 2023. You may, however, close your Account earlier if you wish.

Upon closure, we will refuse to accept any further deposits to the Account and, if a check or other debit is presented for payment, it will be returned "account closed." In addition, automatic payments to, or withdrawals from, your Account will be rejected and will not be paid.

In anticipation of closure and to avoid transaction delays, unwanted overdrafts, or related fees on your Account, please promptly take the following actions:

- Stop writing checks or authorizing other debits against your Account;
- Discontinue automatic or recurring payments to or from your Account, and notify these parties to make alternative arrangements;
- Make deposits in cash or immediately available funds to cover payments and transfers; and
- Stop using products associated with the Account.

Until the closure date, please be advised that checks and other debits presented for payment will not be honored if there are insufficient collected funds available in the Account to cover such items. You should not rely on the bank to contact you if checks or other debits are presented against insufficient or uncollected funds, as the bank may not do so. In addition, if you make a deposit, we may hold funds from items deposited into your Account to the fullest extent allowed by law.

When we are satisfied that all funds currently on deposit are collected and not likely to be returned for any reason, we will send any remaining funds to you by check to the address above or, if requested by you, transfer to another account held in the same name at another financial institution. Please note that matters related to your Account continue to be governed by the terms and conditions of your Account Agreement and Disclosures even after your Account is closed.

If you have any questions, please contact me

Sincerely,

Laura Morales
